Hi, I'm Zooko. I work for [Evil Geniuses For A Better Tomorrow](#)→, hacking on [Mojo Nation](#)→.

I participate on several mailing lists, and you can peruse the public archives: [e-lang](#)→, [mojonation-devel](#)→, [p2p-hackers](#)→.

I hang out on an IRC channel on irc.openprojects.net. The channel is "#mojonation".

Please feel free to write [e-mail](#) to me.

Here is my [curriculum vitae](#).
